BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA

OF MYSORE, MUZRAI DEPARTMENT, BANGALORE.

Muzrai Appeal No. of 1917-1918.

Kadappa, Makkaladevara Mutt,
Kannur Village, Kudur Hobli,
Magadi Taluq. .. Appellant.

The appellant abovenamed begs to appeal from the order of the Deputy Commissioner of Bangalore, dated the 26th July 1917, on the following grounds, namely:-

1. That Santaveeraswami the late Ayya of the Makkaladevara Mutt, Kannur, Magadi Taluq died in 1907 without nominating any successor to him and the question of succession is pending decision before the Government.

2. That as far as the appellant's personal knowledge goes, for the last three generations the Ayyas of the Mutt are being invariably selected from the appellant's family so much so that the succession has become a matter of hereditary right

3. That the appellant and his ancestors have been for over three generations in actual possession and enjoyment of the Mutt lands managing the entire properties

properties belonging to the Mutt and performing the daily ceremonies connected therewith; they have - thus been chiefly instrumental in carrying out the - objects for which the Inam lands are granted.

4. That after the demise of the late Swami, - the Government authorities acting on the representations of the Murgi Mutt attached all the properties of the Mutt in question and after due consideration of the peculiar situation allowed the appellant to remain in possession and enjoyment of the Mutt lands, on the understanding that the appellant should every year give half the produce raised on the lands to the persons appointed by the Taluq authorities on behalf of the Mutt; the appellant has executed a mutchalika to the same effect.

5. That from the life-time of the late Swami himself a section of people belonging to a different community from that of the Swami have been trying their best to snatch away the Mutt and its properties for their own community by petitioning to the authorities making all sorts of reckless allegations against the Swami and the management of the Mutt affairs.

6. That this year after the tilling of all the lands were over, to the surprise and misfortune of - the appellant he was notified on 6-6-1917 that the lease of the lands would be sold in public auction to the - highest bidder and the same has been confirmed by the order under appeal.

7. That in trying to safe-guard the interests

of the Mutt, the authorities concerned have overlooked the hereditary rights of the appellant.

8. That the nature of the appellant's rights over the lands is such as could not be determined in summary proceedings of the kind conducted in the lower Court.

9. That the order under appeal is not capable of being executed without giving room to further complications.

10. That the duties the appellant is discharging now cannot be dissociated one from the other.

11. That the order under appeal, if executed, acts as a great hardship on the appellant, inasmuch as he will be forced to quit the place finally with all his bag and baggage.

12. That as thematter of succession to the Headship of the Mutt is before Government and about to be decided there is no reason whatever for selling the lease for a period of five years just at this juncture.

13. That the appellant's all worldly wealth consisting of his right to cultivate and enjoy these lands, and his interest in the same being more than temporary, he is best qualified to remain in possession of them particularly during this vacant period.

14. That far from safeguarding the interests of the Mutt, the order under appeal acts prejudicially to its permanent interests inasmuch as it will give a handle to the rival party to bring about the ruin of the Mutt in question.

WHEREFORE

W H E R E F O R E the appellant respectfully prays that the order of the Deputy Commissioner may be set aside and that the question of putting up the lease to auction may be deferred until the decision regarding the succession is finally passed.

The appellant further prays that this Hon'ble Government may be pleased to direct that the order of the Deputy Commissioner may be kept in abeyance pending final orders on the present appeal.

As the lease is about to be sold in a few days, the appellant humbly solicits early orders for staying further proceedings in the matter by the authorities below.

were present in person and were also represented by their Advocates messrs. M. Krishnamurthi and B. Srinivasa Iengar.

The Makkala Devaru matt at Kanamur in the Nagar Taluk owns certain lands in that and the adjoining Village of Chowdi-Begur. Owing to disputes the succession to the vacant Headship of the matt, the properties were taken under Court management in 1908 and since then the agent has been cultivating the lands on condition of paying a half share of the produce to the matt.

On complaints received from certain other Villagers to the effect that the matt was losing by the arrangement, the cultivation right of the lands was ordered to be sold in public auction by the Dy. Comm^r and this order is now appealed against.

As the main case relating to the matt succession

is till pending disposal by Govt., it does not seem necessary to make any binding arrangement for a definite period for the cultivation of the land. The Stay order already Communicated under date 14th August 1917 will therefore continue until the final disposal of the main case.

In the meanwhile a local enquiry should be instituted as regards the sufficiency or otherwise of the rent now paid by the aplt. If a higher rent is legitimately due to the Matt, the aplt who has been cultivating the land since 1908,

the opportunity of continuing by paying the higher rent.

It is noticed that the matt share of the produce for the previous years has been left with the Patel of Chowdi Begur and the aplt. has asked be sold and the amount credited to the matt.
